NOW AVAILABLE!

 Good News – A Sequel: The manuscript for a sequel to "The Lansing Effect" is now available as a paperback for purchase from Booklocker.com and Amazon.com. The E-Book version should become available shortly. Other internet vendors including Barnes&Noble as well as Books-A-Million will soon make the book available! I think you will find it timely and fascinating, from both a political and technology point of view. In addition, I've tried to keep it full of action and lots of fun. The title of the book is

"The Black Devil of Damavand"
